

Embedded Solutions Software License Agreement

BY ACCESSING, DOWNLOADING, INSTALLING, COPYING OR OTHERWISE USING THE MODBUS MASTER OR SLAVE SOFTWARE AND DOCUMENTATION THAT ACCOMPANY THIS AGREEMENT (THE "SOFTWARE"), YOU ARE AGREEING TO ALL OF THE TERMS OF THIS AGREEMENT. IF YOU DO NOT AGREE TO ALL OF THE TERMS OF THIS AGREEMENT, YOU MAY NOT ACCESS, DOWNLOAD, INSTALL, COPY OR USE THE SOFTWARE.

1. LICENSE GRANTS

Subject to all the terms of this Agreement, Embedded Solutions, also called Licensor, hereby grants you a royalty-free, non-exclusive, non-transferable, non-sublicenseable license to copy and use the Software, also called Licensed Material. You may (i) access, download, install, and copy the Software on a reasonable number of development systems within your company; (ii) modify the Software to suite your purposes; (iii) embed the software in your products in a binary form. If you must ship the software in source code form you are required to make a special contract with Embedded Solutions.

2. LICENSE OBLIGATIONS

You agree that you shall not:

- (i) Create any derivative work based on the Software which does not add any value the original product. If you have any doubts if this applies to your work you shall contact office@embedded-solutions.at;
- (ii) rent, lease, sell, sublicense, grant a security interest in, or otherwise transfer any rights of the Software;
- (iii) remove or alter any marks or proprietary notices or labels contained in the Software;
- (iv) use the Software in any manner that violates any intellectual property or privacy rights of any third party;
- (v) use the Software in any manner that violates any applicable international, federal, state or local law or regulation.

3. MODIFICATIONS BY LICENSE

Licensee may modify and change the Software within the scope of this Agreement. In that case, either:

- (i) Licensee takes full responsibility for the modification or change; or
- (ii) Licensee sends the modification or change, with sufficient other information, to Licensor for potential inclusion in the product, which is to be decided by Licensor.
- (iii) In case Licensor decides to accept any changes or amendments made by Licensee and includes it in a new release of the Software, it shall be the property of Licensor and Licensee shall be entitled to use it in accordance with the license provisions set forth in this agreement. The Parties agree that any such versions of the Software shall fall under the conditions of this Agreement.

4. TITLE

Embedded solutions and its suppliers retain all right, title and interest in and to the Software, including, without limitation, all copyrights, trademarks, patents, trade secrets, proprietary and

other intellectual property rights contained in or associated with the Software, all copies thereof, and all enhancements or modifications thereto.

5. WARRANTY

Licensor warrants that the Initial Deliverables shall be a full and complete disclosure of the most up-to-date versions of the "Licensed Material".

Licensee acknowledges that the process of compiling the C code from the Licensed Material into executable code necessarily involves the use of technology not delivered by Licensor, hence Licensor's liability and Licensee's sole remedy for breach of the warranty provided under this section shall be as follows. If Licensee can demonstrate to Licensor that any defect in the executable for the Licensed Material is exclusively caused by a defect in the Licensed Material then Licensor shall use commercially reasonable efforts to correct any errors in the Licensed Material and deliver such corrected Licensed Material to Licensee.

Licensor shall have no liability for any defect in the module which uses the Licensed Material which results exclusively from any technology that has not been supplied by Licensor and which is either incorporated into or used in the development of such module.

6. UPGRADES, IMPROVEMENTS AND TECHNICAL ASSISTANCE

- (i) Licensor agrees to promptly provide Licensee, at no additional cost, with any new releases of the "Licensed Material" which are made or acquired by Licensor.
- (ii) Licensor further agrees to provide Licensee with reasonable technical assistance which may be requested by Licensee during the period expiring twenty-four (24) months from the Effective Date in connection with the use or modification of the Licensed Materials. Such technical assistance shall be provided on the basis of Licensor's published man-hour charges. (EURO 65.00/h as of January 1st, 2014).

7. LIMITATION OF LIABILITY

Under any provision of this agreement Licensor's entire liability arising out of the use or inability to use the Licensed Material or in any other way arising out of or related to this agreement shall be limited to the amount actually received by Licensor hereunder. In no event will Licensor be liable for any loss of business profits, business interruption, cost of cover or special, consequential, indirect, incidental or punitive damages (i) arising out of the use or inability to use the Licensed Material, except for the warranties made in Section 5 arising in any other way out of or related to this agreement, however caused and on any theory of liability (including negligence) even if Licensor has been advised of the possibility of such damages.

8. INDEMNIFICATION BY LICENSOR

(a) In the event of a suit against Licensee based upon a claim that the Licensed Material, as delivered by Licensor to Licensee, under this Agreement, infringe any third party patents, copyright or trade secret, Licensor agrees to defend and indemnify Licensee against any liability resulting from any claim that the Licensed Material infringes any third party patent, copyright or trade secret provided that: (i) Licensor is promptly notified by Licensee of any threats, claims and proceedings related thereto; (ii) Licensor shall have sole control of the defense and any settlement thereof; (iii) Licensee shall not settle or compromise any such claim without Licensor's prior written consent; (iv) Licensee furnishes to Licensor, upon request, any information available to Licensee relating to the defense of such claim; and (v) Licensee

provides reasonable assistance to Licensor in the defense of such claim. Licensor, at its option and expense, shall: (i) obtain for Licensee the right to continue to use the Licensed Material; or (ii) replace or modify the Licensed Material so that they become non-infringing, in which event Licensee shall cease use of the infringing Licensed Material.

(b) Licensor shall have no liability under 8(a) for any infringement arising from: (i) the combination of the Licensed Material with other products not supplied by Licensor if such infringement would not have occurred but for such combination; (ii) the modifications by Licensee of the Licensed Material if such infringement would not have occurred but for such modification, (iii) any manufacturing process applied to the Licensed Material by Licensee if such infringement would not have occurred but for the application of such process.

(c) As between the parties, Section 8(a) states the entire liability of Licensor and Licensee's exclusive remedy for infringement by the Licensed Material of an third party Intellectual Property.

9. TERMINATION; SURVIVAL

The license granted hereunder shall terminate upon Licensees failure to comply with all of the terms described herein after a cure period of 6 month, if Licensee does not cure the breach of this agreement within the 6 month period. The 6 month cure period starts with a written letter from Licensor to Licensee informing Licensee that Licensee is in breach of this agreement. This letter must state the exact terms that are in breach.

Upon termination for any reason, Licensee shall destroy all copies of the Software. Sections 1(iii), 2, 3 and 4 shall survive any termination or expiration of this Agreement or the license granted hereunder.

10. GENERAL

(a) This Agreement is the entire agreement between you and Embedded Solutions concerning this subject matter. This Agreement may not be amended except in writing signed by an authorized representative of Embedded Solutions. (b) Neither this Agreement nor any of your rights or obligations hereunder may be assigned by you in whole or in part without Embedded Solutions prior written consent. (c) This agreement will be governed by and construed in accordance with the laws of the Republic of Austria (excluding its conflict of laws principles and the U.N. Convention on Contracts for the International Sale of Goods) and you expressly agree that exclusive jurisdiction for any claim or dispute with Embedded Solutions or relating in any way to your use of the Software resides in the Handelsgericht, Wien (Commercial Court, Vienna) and you further agree and expressly consent to the exercise of personal jurisdiction in the Handelsgericht, Wien (Commercial Court, Vienna) in connection with any such dispute or claim. (d) The prevailing party in any action or proceeding to enforce the provisions of this Agreement shall be entitled to recover all reasonable attorneys' fees and expenses incurred in connection therewith. (e) In the event of a breach of this Agreement, monetary damages may not be a sufficient remedy, and Embedded Solutions shall be entitled, without waiving any other rights or remedies, to such injunctive or equitable relief (without posting of a bond) as may be deemed proper by a court of competent jurisdiction. (f) If any provision of this Agreement is held to be invalid or unenforceable by a court of competent jurisdiction, that provision shall be limited or eliminated to the minimum extent necessary so that the remaining provisions remain in full force and effect. (g) The failure of Embedded Solutions to require your performance of any provision herein shall not affect the full right to require such performance at any time thereafter; nor shall the waiver by Embedded Solutions of a breach of any provision herein be taken or held to be a waiver of the provision itself.
